

# ***PRO\_NMS***

***Pro Active Actions for New  
Member States***

***Konferencja Miasta w Internecie***

Zakopane, 16-18.11.2005

## ***Skład konsorcjum projektu PRO\_NMS:***

- 1 **IPPT PAN** - Instytut Podstawowych Problemow Techniki Polskiej Akademii Nauk (PL)
- 2 **BIT FFG** – Austrian Research Promotion Agency Division for International Research & Technology Co-operation (AT)
- 3 **VDI/VDE** Innovation + Technik GmbH (DE)
- 4 **TUKE** Technical University of Košice (Office of European Projects) (SK)
- 5 **SPIE** International Society for Optical Engineering (LV)
- 6 **Archimedes** Archimedes Foundation (EE)
- 7 **LvCSTEI** Lviv Centre for Scientific Technical and Economic (UA)
- 8 **InfoPark Co.** (HU)
- 9 Association **INFOBALT** (LT)
- 10 **LIC** - Lithuanian Innovation Centre (LT)

## ***Objectives of the project - 1***

The project PRO\_NMS addresses research organisations, SMEs, IT companies mainly from New Member States (NMS) – **Poland, Slovakia, Latvia, Lithuania, Estonia, Hungary** and one country – **Ukraine** from NIS to enlarge the participation in Framework Programmes.

This country will be accompanied by partners from other Member States – from **Austria** and **Germany**.

## ***Objectives of the project - 2***

The project aims to **facilitate participation** of research organisations, legal entities, IT companies from the New Member States (NMS) and to help to establish solid frameworks for international collaboration in research activities of IST.

## ***Objectives of the project – 3***

The consortium will reach the potential proposers to 5th IST Call as well as to future IST actions (FP 7th) from key IST fields:

- **Micro/nano based sub-systems**
- **Embedded Systems**
- **ICT for Networked Businesses**

---

## *The workplan comprises 6 workpackages:*

- **WP1: Project Co-ordination/ Management**
- **WP2: Strategic Objectives (SO) Market Research (*Landscaping*)**
- **WP3: Preparation of Standardized data base and Project web page**
- **WP4: Training and Consultancy**
- **WP5: Brokerage Activities and Promotion of Key Players**
- **WP6: Project Promotion**

## ***Preparation of the Data Base:***

- To facilitate management and communication between the partners;
- Internal communication platform for the project team (in INTRANET only accessible for team members);
- To build links between existing/starting projects

## ***Training and Consultancy:***

- Workshops in **Poland, Slovakia, Latvia Estonia, Lithuania, Hungary and Ukraine;**
- **Consultancy of proposals or project ideas**

## ***Brokerage activities:***

- **Brokerage activities** will consist mainly of **brokerage events** – the project consortium will organise 3 international brokerage events (1 per selected Strategic Objectives);
- The brokerage events will be organised in **Poland, Lithuania and Slovakia.**

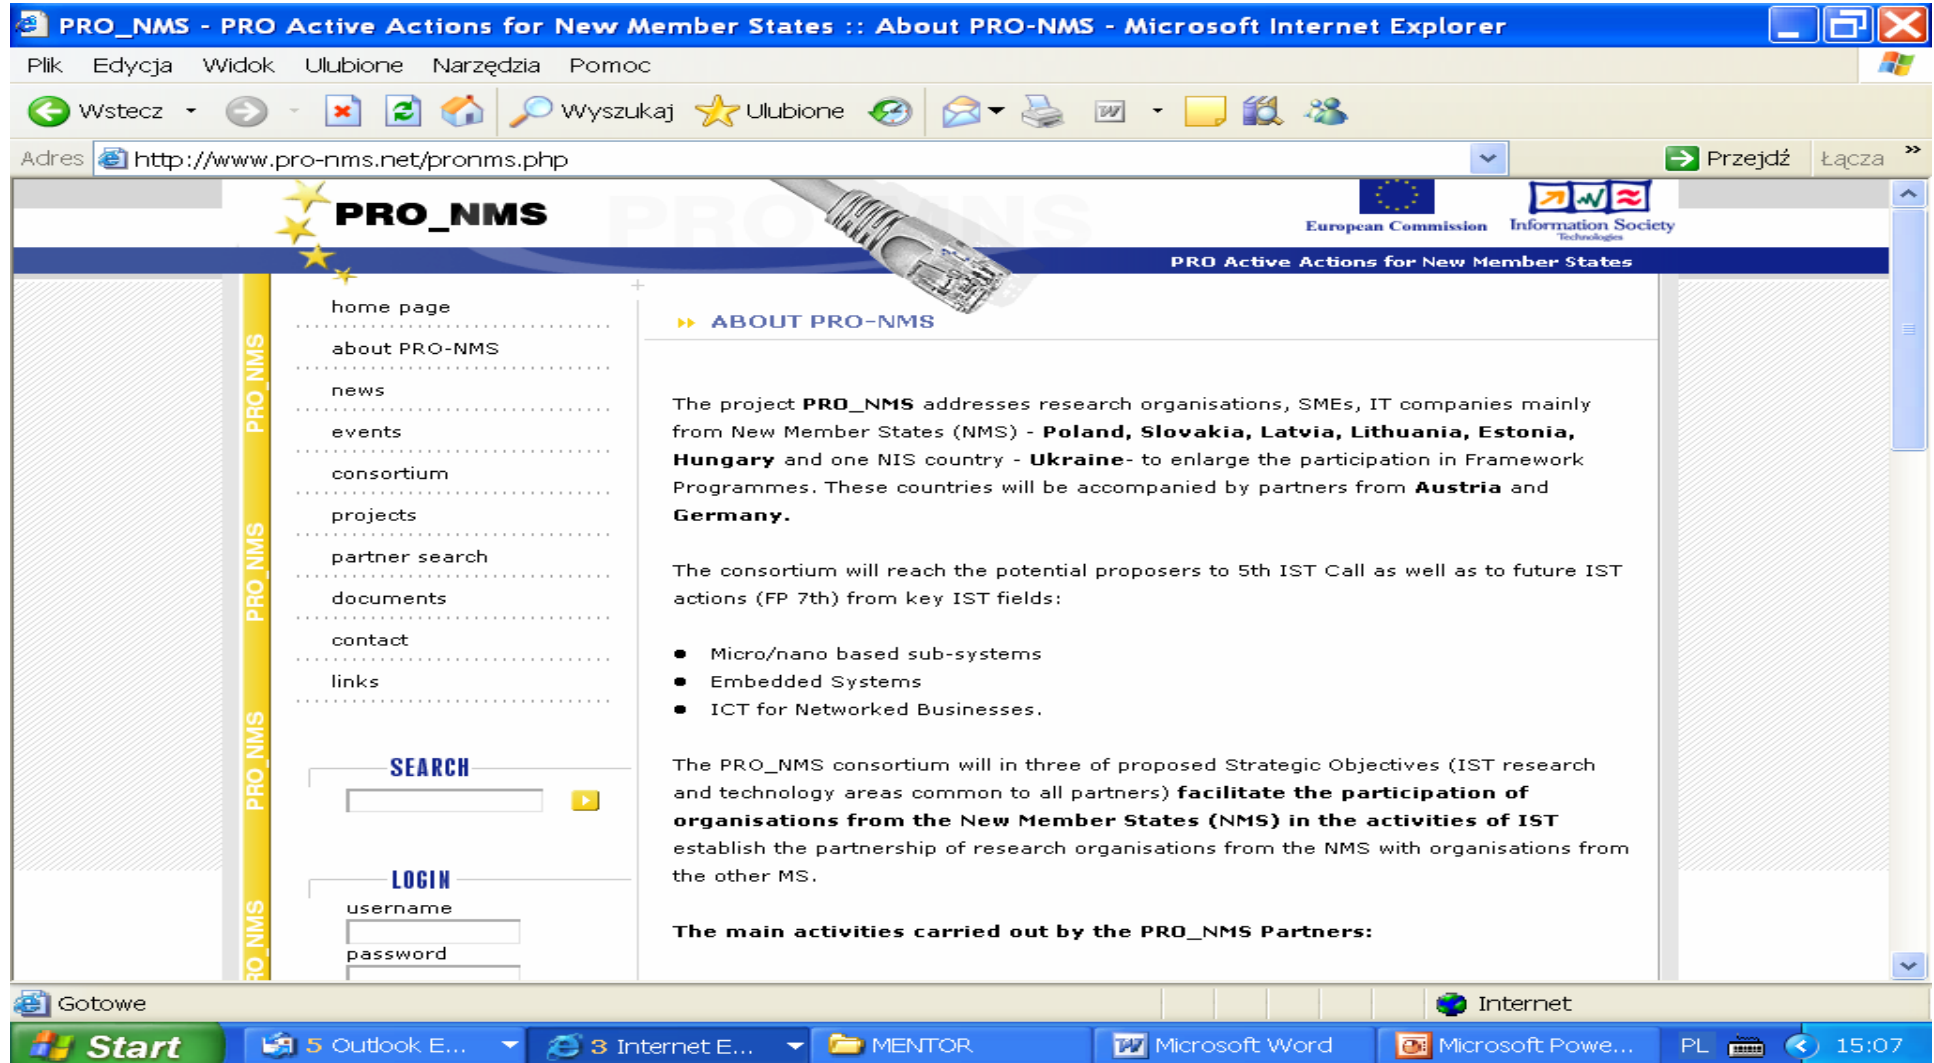

---

## ***Objectives of the brokerage events:***

- To exchange experience between partners active in selected Strategic Objectives;
- To give partners from the NMS possibility to meet potential partners from other
- MS and from successful projects;
- To present possibilities to join ongoing projects under FP6;
- To bring together the skills and knowledge of the potential consortia members;
- To promote and facilitate participation of NMS (PL, LV, LT, EE, SK, HU) and Ukraine;
- Transferring the experience, expertise and contacts between successful IST Projects co-ordinators from the other MS to NMS and Ukraine.

#### ABOUT PRO-NMS

The project **PRO\_NMS** addresses research organisations, SMEs, IT companies mainly from New Member States (NMS) - **Poland, Slovakia, Latvia, Lithuania, Estonia, Hungary** and one NIS country - **Ukraine**- to enlarge the participation in Framework Programmes. These countries will be accompanied by partners from **Austria** and **Germany**.

The consortium will reach the potential proposers to 5th IST Call as well as to future IST actions (FP 7th) from key IST fields:

- Micro/nano based sub-systems
- Embedded Systems
- ICT for Networked Businesses.

The PRO\_NMS consortium will in three of proposed Strategic Objectives (IST research and technology areas common to all partners) **facilitate the participation of organisations from the New Member States (NMS) in the activities of IST** establish the partnership of research organisations from the NMS with organisations from the other MS.

**The main activities carried out by the PRO\_NMS Partners:**

---
